

Lubricants

Solutions for high-performance lubricants.

Lubricants

At Barcelonesa, we have been supporting innovation in new materials for over 80 years with our range of products to meet all the needs in the various application sectors of lubricants.

We mainly target manufacturers of lubricant additives, lubricant and grease manufacturers (industrial and engine lubricants), manufacturers of fluids for metalworking, and companies specializing in the recovery of oils and greases.

We search for new products

We help you find new products and technologies you need to incorporate into your processes.

Wide range of products and solutions

We offer you a wide catalog of solutions, as well as our own customized packaging and toll manufacturing services.

easyB: Technology at your service

Online client platform to manage orders, consult and download documentation, as well as search for products.

Regulatory advice

We provide our clients with the necessary raw material certificates to carry out conformity assessments under the applicable regulations.

Our Product Range

Additives

Boric Acid
Borax 10-H
Borax 5-H IND.
Diethanolamine
Dimethylethanolamine
Monoethanolamine
Triethylamine

Antifreeze

Crude Glycerin
Diethylene Glycol
Monoethylene Glycol
Monopropylene Glycol
Monopropylene Glycol USP
Polyethylene Glycol 200
Polyethylene glycol 400
Vegetable Glycerin QP

Biocides / Disinfectants

Hydrogen Peroxide 50%
Peracetic Acid
Sodium Hypochlorite

Coagulants

BD Sodal
Depurcal (PAC)
Depurfer

Corrosion Inhibitors

Anhydrous Sodium Metasilicate
Sodium Bisulfite
Sodium Hexametaphosphate
Sodium Metabisulfite
Sodium Metasilicate 5-H
Sodium Molybdate
Sodium nitrite
Zinc Chloride

Manufacturing Products

Sweet Almond Oil
Technical Oil
White Oil

pH Regulators

Caustic Potash
Caustic Soda
Sulfuric Acid

Pigments

Zinc Oxide
Zinc Oxide Gold Seal

Surfactants

Nonionic Surfactants

Bartensid®

Ethoxylated Fatty Acids

Castor Oil EO

Coconut Fatty Acid EO

Hydrogenated Castor Oil EO

Oleic Acid EO

Stearic Acid EO

Tallow Fatty Acid EO

Ethoxylated Alcohols

ALC. C/10 EO

ALC. C/12-14 EO

ALC. C/12-15 EO

ALC. C/12-16 EO

ALC. C/12-18 EO

ALC. C/13 EO

ALC. C/16-18 EO

ALC. C/18-16 EO

ALC. C/9-11 EO

Nonylphenol EO

Ethoxylated Fatty Amines

COCONUT AMINE EO

TALLOW AMINE EO

STEARIC AMINE EO

OLEIC AMINE EO

Sorbitol Esters and Their Ethoxylates

Sorbitol Monostearate (EO)

Sorbitol Monolaurate (EO)

Sorbitol Monooleate (EO)

Sorbitol Monopalmitate (EO)

Sorbitol Trioleate (EO)

Sorbitol Triostearate (EO)

Controlled Foam Products

ALC. EO/PO

Condensed EO/PO Copolymers

Ionic Surfactants

Dodecylbenzene Sulfonic Acid 96%

Barcelona Group is a multinational holding company that brings together highly specialized companies in the chemical industry for all industrial sectors. We are committed to good chemistry in more than 70 countries and with over 3,000 clients.

We research, innovate, develop, handle, store, distribute, and advise. We guarantee efficient, reliable, and customized chemical solutions for our clients in all activity sectors.

Our commitment to adding value in the industry has led us to operate in three business areas:

Chemicals

Comprehensive service for the production, distribution, and trading of chemical products for all sectors of activity.

Nutrition & Health

Comprehensive service for the distribution, technical advice, and blending of raw materials, additives, and ingredients for the human, animal, and agrochemical nutrition sector.

Logistics

Comprehensive logistics for hazardous and food-grade chemical products: storage, handling, packaging, and delivery throughout the Iberian Peninsula.

The main indicators of our activity:

+ 80 years

of experience in the sector

+ 3,000 clients

around the world trust us

+ 400 experts

to provide you with solutions

+ 70.000 m²

storage capacity

+ 80 countries

where we generate business

+ €250 M

of consolidated group turnover
